

## Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design concepts as shown in their product development. They like offering products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees enjoys new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their comprehension of cleaning applications, along with owners' strong desire to considerably lessen expense through productivity gains.

When considered necessary, the personnel within TREK and its numerous dealer members in both technical support and parts would be obtainable. Among their core values is their high service dedication in their customer service. Keeping their clients' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers dependable machine which ultimately lowers your cleaning cost. The product, the price and the service all work as one to make them the leader in the business.
