Advance-Nilfisk Parts - Think about how long and tiresome it would be to clean-up after a party, with no help from equipment. Previously, the dust from upholstery and carpets had to be beat out of them by hand; brushes, cleaning cloths and brooms were the best cleaning products at the time.

The man who established Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After founding his company during 1906, he began to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's vision from the beginning was to own a global company marketing products globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single individual. This invention came in a time where many cleaning equipment were very big and needed at least 4 operators, therefore, the Nilfisk C1 transformed everything and developed the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing crisis; stuff get filthy and have to be cleaned frequently, without too much effort.

Gradually but progressively, Nilfisk-Advance expanded all through the decades. In the nineteen eighties, this growth actually occurred the time the company became a part of the NKT Group. Their new owners' ambition and concentration made Nilfisk-Advance take a huge leap ahead within the industry, aspiring to be among the largest global players in the market of professional cleaning equipment. Nilfisk-Advance is currently located in every part of the globe due to gradually obtaining a lot of small companies to be able to expand their product range and presence in new markets. They are proud to offer various cleaning solutions to meet every need.
